This certificate remains the property of Ozone Sustainability management systems to whom it must be returned. Social Accountability International and other stakeholders in the SA8000 process only recognize SA8000 certificates issued by qualified CIs granted accreditation by SAAS and do not recognize the validity of SA8000 certificates issued by unaccredited organisations or organisations accredited by any entity other than SAAS. Stakeholders can confirm the validity of an accredited SA8000 certificate on [www.ozonesustainability.com](http://www.ozonesustainability.com) and [www.saaiaccreditation.org/certification](http://www.saaiaccreditation.org/certification). Non fulfillment of conditions as said in the certification agreement may lead to this certificate invalid. The validity of this certificate can be checked at "[www.ozonesustainability.com/certificate-check/](http://www.ozonesustainability.com/certificate-check/)"
